Re: United States v. Torres Rivas
Criminal Docket No. 20-494 (GRB)

Dear Mr. Schoer:

Pursuant to Rule 16 of the Federal Rules of Criminal Procedure, the government hereby provides records obtained from Snapchat, Inc. pursuant to a search warrant issued on or about January 15, 2021 (the "Warrant Returns"), which are Bates-numbered RIVAS_000066 through RIVAS_000101. The Warrant Returns also included certain images and videos, which have not been produced pursuant to 18 U.S.C. § 3509. You may examine this evidence by calling me to arrange a mutually convenient time.

This disclosure supplements the government's earlier disclosure dated January 19, 2021. The government renews its request for reciprocal discovery from the defendant.

Very truly yours,

MARK J. LESKO
Acting United States Attorney
